

# Eric Rangel

5090 W 88th Avenue, Anchorage, AK 99502

(907)-232-9511

ejrangel2@alaska.edu

## Education

---

- ANSEP Acceleration High School Fall 2017-Spring 2021
- University of Alaska Anchorage Fall 2017-Spring 2023
  - ❑ Mathematics and Chemistry Undergraduate
  - ❑ Minor in Computer Science

## Experience

---

- Mat-Su Animal Shelter Volunteer February 2018-February 2019

The responsibilities for this job were sweeping, laundry, restocking pet supplies, and taking care of the animals that were housed in the shelter.
- Taco Bell Team Member March 2020 - Present

The responsibilities for this position include general cleaning tasks along with customer service tasks. I also make food for customers and prioritize food safety.
- UAA Upper Division Math Tutor September 2020 - December 2020

The responsibilities for this position are helping students with math concepts they do not understand. I have to understand the topic that I am explaining and be able to communicate the concept to the student.

## Skills

---

- Time Management - My average course load is 17 credits. This requires planning so I am not overwhelmed with schoolwork and other responsibilities.
- Literate in Coding Languages and Office Suite - I have taken the following classes at UAA: CSCE 201- Java, CSCE 211- C++, and ES 261 - Matlab. I will also be taking more classes this Spring 2021.
- Excels in Mathematics - Completed Calculus Series along with ODE and Linear Algebra and is progressing further in the field.
